Rockhurst Occupational Therapy (MOT) Articulation Agreement

Students in Health Sciences or Exercise Science programs in the Department of Exercise Science at Lindenwood University with outstanding qualifications may be automatically accepted into the program if they meet the criteria set forth.

To be considered eligible for the articulation agreement, students must meet the following criteria:

1. Semester grade point average of at least 3.5 and cumulative grade point average from all coursework of at least 3.5
2. Cumulative science GPA from all coursework of at least 3.5
3. Letter of intent submitted to Department of Occupational Therapy office by June 1st of their junior year with a copy of their official transcript
4. Completed occupational therapy application for admission through OTCAS, before September 1st of their senior year
5. Interview before beginning the MOT program
6. Achieve a 3.5 GPA each semester and maintain a 3.5 science and cumulative GPA through the end of their senior year

Applicants who meet the requirements listed above will be reviewed by the Rockhurst University OT Admissions Committee. A maximum of two students from the Exercise Science program at Lindenwood University who meet the criteria set forth above will be automatically accepted into the program. Those students who do not meet the requirements listed above, or have met the requirements, but are not chosen among the two allotted slots, will be reviewed under the standard admissions process established by Rockhurst University. Students will begin the Occupational Therapy program upon completion of their bachelor's degree.

Fulfilling the above requirements is required for being considered as a candidate for the MOT Program. In addition, the student must demonstrate professional behaviors when interacting with faculty, staff, students, clients, and patients. These behaviors are important
